

Consultation Meeting for Prospective Students

Date & Time : March 9th 2013 (Sat) 10 : 00~17 : 00

Location : Material Science Laboratory Building 1st Floor, Lobby

(This is NOT an explanation for the entrance examination.)

- Our staff will respond your questions about life at NAIST.
- In some cases , you may directly consult with our professors.
- At our booth the Gender Equality Promotion Office will show current female students' daily lives at NAIST with a panel exhibition

We are waiting for your visit!

- Research at NAIST
- Campus life and living at NAIST
- Learn about how researchers balance work and private life. (raising children, etc.)
